

# Who Is Carson Trailer?

CARSON TRAILER, INC. is the West Coast's leading manufacturer of quality trailers, setting the standard in the trailer industry since 1991. Each trailer is constructed with care and precision under strict quality control measures. Only the highest quality materials available are used. Upon final completion and prior to delivery to our customers, each trailer is thoroughly inspected; all fittings, systems, and applications are tested.

Carson Trailer, Inc. Corporate Headquarters

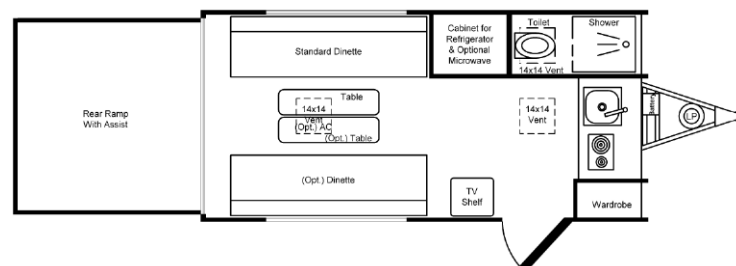

CARSON TRAILER, INC offers 31 different trailer configurations to suit any of your industrial or recreational needs – landscape and utility trailers, heavy-duty equipment, enclosed cargo and race car trailers, car-hauling flat-bed trailers, and a complete line of RV sport trailers. Carson Trailer offers a variety of custom manufacturing options, many interior and exterior color schemes, cabinet finishes and furnishings, and different floor plans to suit your style.

CARSON TRAILER, INC. operates a state-of-the art manufacturing facility on the West Coast, encompassing 12 acres. We employ almost 200 employees and manufacture over 150 trailers a week. We look forward to helping you with your next trailer purchase and servicing your needs for years to come.
